Dear Parents,

We are well into competition, exam, and recital prep season. With so much to look forward to and prepare for it's important to take a moment to remember why we dance and why we teach. We pride ourselves on providing unparalleled instruction to our dancers. No matter what trophy or score they get, it's the growth, artistry, kindness, and commitment we see in the dancers that matters most. This cannot be achieved without consistency. During this season of preparation, please help us help your dancers succeed by making sure they are prepared and in class each week. And to wrap up this message on a light note, our hard working competition team was rewarded with a beach party themed lock in earlier this spring. They work hard, they train hard, and they party hard!

Special Announcement

We will be adding classes during our Spring Break for Monday and Tuesday students on Monday, April 15th and Tuesday, April 16th to make up for inclement weather days this winter.

Picture Day

May 17th and 18th

Plan to arrive 15 minutes prior to your scheduled picture time. Please be on time as we cannot wait if you are running late! Parents are not allowed in the room with the photographer. Proofs will be available online.

Siblings who wish to take a picture together may come during the solo time slot or around the time of their groups. We will put them in at the end of one of their groups. A detailed schedule will be available closer to picture day.

Call for Stage Moms

Don't forget the hair spray & bobby pins!

If you would like to help out backstage with your dancer's class [please let us know](#). We will make sure you get to see your dancer perform from the wings.

Responsibilities of A Stage Mom

Stage moms arrive at least 45 minutes before the scheduled performance and remain backstage for the duration of the program with your class. These volunteers will not need a ticket and will be able to view the performance with the staff backstage. In the past, the most successful stage moms have brought some quiet activities for their group to help keep little ones entertained. Snacks are fine as long as they are not messy and will not get on the costumes. Parents will not be permitted to pick up dancers during the show. Once they are dropped off they should remain with their stage mom until the end of the performance.
